To whom it may concern

*I am honored to recommend **Omran Mohamad Alksour** for admission to your graduate program. As **Omran's** professor for several courses in the Software Engineering undergraduate program, I have had the opportunity to closely observe his academic performance and intellectual potential.*

***Omran's** academic performance was exceptional, consistently earning top marks in his coursework. He demonstrated a deep understanding of the material and an ability to think critically and creatively to solve complex problems. His intellectual potential is evident in his strong analytical skills, attention to detail, and ability to grasp complex concepts quickly.*

***Omran** is an independent learner who demonstrated a high degree of autonomy and engagement with his studies. He consistently sought out new challenges and took on additional coursework to expand his knowledge and skills in Computer Science.*

*Compared to his peers **Omran** stood out as a leader, consistently displaying the highest academic performance. His exceptional performance in coursework and exams speaks to his strong academic potential and his ability to excel in his chosen field of study.*

*I strongly recommend **Omran Mohamad Alksour** for admission to your graduate program. His academic excellence, intellectual potential, and level of engagement make him a standout candidate, and I am confident he will make significant contributions to your academic community.*

Please feel free to contact me if you require any additional information.

Note: The study language at our university is English.

Sincerely yours

Dr. Hayel Khafajeh
